**1.Call to Order**

Senior Vice President John Quarterman called the meeting to order.

**2. Minutes of previous meeting**

The minutes as corrected were approved.

**3. Flint Riverkeeper Document**

The document for the Flint River keeper was discussed. Gretchen Quarterman made a motion for Dave and John to negotiate agreement between the groups, Bret Wagenhorst seconded the motion. Motion approved unanimously.

**4. Public Relations**

We then continued to discuss public relations for the upcoming seminar on September 22nd. Gretchen Quarterman and Tom Baird proposed a public Radio PSA. Bret Wagenhorst agreed to publish event in the Tifton Gazette. Nathan Wilkins will post fliers around campus. A point was made to invite other attendees from water quality testing training. Al Browning will get the emails from Angela Bray.

**5. Grants**

Grants were discussed, specifically the Ben and Jerry grant. It was decided, without objection, that John would draw up a Organizational Support grant application, and send to group for approval, instead of a project grant.

**6. Future Meetings and Events**

Seminar is to be held Saturday September 22nd at NESPAL in Tifton.

The next board meeting will be held on October 10th, 7:30pm, at IHOP in Adel.

A canoe trip is planned for Oct 19th at Red Roberts Bridge in Reed Bingham. The group was however curious on why the trip was planned for a Friday as that may not be convenient for working folks.

**7. New Business:**

Al Browning proposed an information sharing system between watershed related groups.

**8. Adjournment**

Given the lateness of the hour, the meeting was adjourned.
