Dear John,

We are pleased to inform you that the grants selection committee has awarded a grant of \$500.00 to the Willacoochee, Withlacoochee, Alapaha, and Little River Systems (WWALS) for supplies needed to market the new water trail in development on the Alapaha River. WWALS will also work with Georgia River Network's Community Programs Coordinator, Gwyneth Moody, to ensure they fulfill Georgia River Network's water trail criteria in their strategic plan.

Enclosed you will find a Grant Agreement which sets forth the terms and specific purpose of the grant. If your organization agrees to abide by these terms, please sign the agreement and return it to our office. Upon receipt of the signed Grant Agreement a check will be issued to your organization. If you have any questions concerning the Grant Agreement, please contact our office for clarification.

Your project was selected for funding from among many excellent proposals because your work is recognized as being essential and effective in protecting Georgia's waterways. We appreciate your commitment and are proud of our association with your organization through this grant.

Please keep Georgia River Network informed of your progress. Please carefully read and follow the reporting requirements set forth in the enclosed Grant Agreement.

We extend our best wishes to you for your continued success and look forward to hearing about your accomplishments. It is a pleasure to be among your supporters.

Sincerely,
