LIST OF FIGURES

Figure 1. Aerial map showing the survey area	2
Figure 2. Topographic map showing the survey area	3
Figure 3. Example of planted pine forest in project area (southwest portion of Area 1), facing north	4
Figure 4. Example of wetland in project area (southeast portion of Area 1), facing west	4
Figure 5. Example of wetland in project area (west-central portion of Area 1), facing north	5
Figure 6. Example of area that had recently been logged, plowed, and replanted in pine (central portion of Area 2), facing east	5
Figure 7. Example of planted pine forest in project area (western portion of Area 2), facing north	6
Figure 8. View of recently logged, plowed, and replanted area with wetland in background (eastern portion of Area 3), facing west	6
Figure 9. View of typical shovel test profile within project area	8
