Dear Mr. Quarterman:

This response is to your request received via e-mail on February 26, 2020 for access to records under the Georgia Open Records Act (GORA). Specifically, you requested access to records for the following:

'I am requesting Valdosta's SOP as of December 3, 2019, when the spill apparently started, plus any modifications to the SOP since then, whether under the then-current Consent Order or under any modifications to it or under any new Consent Order issued on Valdosta since then.'

We have not received any copies of the City of Valdosta's SOP after December 3. According to Condition 5 of Consent Order EPD-WP-5478 (executed December 4, 2013), a revised copy of the City's "Sewer Overflow Response and Reporting Procedures" was submitted to EPD via e-mail on September 11, 2013. It is attachment 5b of the attached Order **(see attachment in email)**.

If you have any questions concerning this response, please contact Kimberly Phelts at (404) 463-2382 or by email at Kimberly.Phelts@dnr.ga.gov.

Sincerely,

Ms. Kimberly Phelts, Administrative Assistant II
