Dear Ms. Ross,

On behalf of our respective organizations and our thousands of members, we are writing to express our concerns regarding the **Twin Pines Minerals, LLC application number SAS-2018-00554-SP-HAR**. Because so many of our members have an interest in this project, we ask that you afford them the opportunity to give meaningful input. In light of COVID-19 global pandemic, the public has not had time to fully review this application. We request an extension of the comment period to 90 days past the receipt of the application.

Respectfully,
