(d) The applicable portion of the rule in which the variance is requested is 40B-4.3030(13).

(e) The citation to the statute the rule is implementing:

40B-4.3030(13), F.A.C., States, "No construction, additions or reconstruction shall occur in the front 75 feet of an area immediately adjacent to and including the normally recognized bank of a water, except for one deck per parcel located at the top of the bank no larger than 200 square feet and a boardwalk no wider than five feet to provide reasonable pedestrian access to water dependent structures such as docks."

(f) Type of variance requested:

The type of action requested is a permanent variance from rule 40B-4.3030(13), F.A.C. This will allow the existing residence with all additions and the seawall concrete tieback anchor at the top of bank to remain in place.

(g) Facts that demonstrate hardship:

Around 2006-07 the residence and its additions were constructed. The owner hired the mobile home company to obtain permits for the structure prior to construction. At the time, the owner was under the impression that they were obtaining the necessary permits to build the structure. Also, the parcel is relatively small. Moving the structure out of the
