Year-round, see loblolly pines, live oaks, water oaks, cypress, river birch, willow, and Spanish moss. In the new year expect yellow jessamine earliest, then wild native azaleas (*Rhododendron canescens*), white to yellow or pink glory. In spring see red maple and white Grancy Greybeard and dogwood trees. In summer you may see the halberdleaf five-large-petaled swamp rose-mallow (*Hibiscus laevis*); each bloom only lasts one day. In the fall, expect swamp sunflower (*Helianthus Angustifolius*). Sand beaches abound for lunch or even overnight camping.

Water Levels, Adel USGS Gauge 02318000:

175.3' (2.2') lowest boatable before walking; 181' (7.9') highest safe to not get lost
