Emergency Management: Atkinson County 912-422-3968, Berrien County 229-686-6588

Very long, but well worth it, for pines, cypress, river birch, tupelo, bass and catfish, herons, and turtles, with a railroad bridge and some creeks: an excellent all-day high-water paddle.

Water Levels:

Alapaha, GA, USGS Gauge 02316000:
215.3' (7.7') lowest boatable, or walking
218.2' (10.6') highest safe to not get lost
