Agenda Item No. 4 - Announcement of any Amendments to the Agenda by the Chair: Mr. Reeves requested Agenda Item No. 10 – Final Order Number 21-001, Still v. Suwannee River Water Management District and Bradford County; SRWMD No. ERP-007-233697-2; DOAH CASE NO. 20-009, be removed from agenda and tabled until the February 2021 Board Meeting.

Agenda Item No. 5 – Public Comment.

- Jeff Hill – Requested money for proposed damaged pipe.
- Ray Hodge, Southeast Milk – Requested support and potential partnership for assistance with sustainability for agriculture and dairy projects in Florida. Thanked the District for continued support.
- Jim Tatum, Our Santa Fe River – Objections regarding Seven Springs water use permit application, and groundwater withdrawals.
- Paul Still – Thanked the Board for tabling Agenda Item No. 10. Support for the sustainability of projects in the District. Comments regarding Edwards Bottomlands on the FDOT Mitigation Plan.
- Sarah Younger – Did not answer when called upon.

Agenda Item No. 6 - Consideration of the Following Items Collectively by Consent:

- Agenda Item No. 7 - December 8, 2020 Board, Workshops, and Lands Committee Meeting Minutes
- Agenda Item No. 12 - Detailed Assessment and Negotiations for the Acquisition of a Conservation Easement, Rio Lindo Parcel, Gilchrist County
- Agenda Item No. 14 - November 2020 Financial Report
- Agenda Item No. 15 - Memorandum of Understanding with the Florida Department of Environmental Protection
