

3. If any of the triggering events occur in the next 20 years then the District or the county or both, could seek to enforce their award of fees and costs. The District and the county are not required to act in concert. If none of the triggering events occur within the next 20 years, then the District and the county will never enforce the awards of fees and costs.

The county was going to consider the stipulated Final Order at its February 1, 2021 Board of County Commissioners meeting. We will inform the governing board of the county's decision at our meeting. Regardless of the county's decision, the governing board is free to reject any settlement and adopt the first Final Order with no stipulations.
