

# Uses, Activities & Sociability

## **STRENGTHS**

- Many of the parks contain flat, open multi-use green spaces surrounded by amenities that provide the VLPRA and users with the flexibility to offer and participate in a variety of programs and activities. Freedom Park and Oris Blackburn Memorial Park are two great examples of parks that contain these types of spaces.
- Many of the parks contain the appropriate type, amount, and spacing of facilities and amenities to effectively support organized programming. Freedom Park and South Lowndes Recreation Complex are two great examples of parks that exhibit these qualities.

*Flat open space in Oris Blackburn Memorial Park and Freedom Park surrounded by amenities that facilitate flexibility of programs and activities*

*Facilities and amenities at Freedom Park and South Lowndes Recreation Complex that sufficiently support organized programming*
