

- c. Inspect, at reasonable times, any facilities, equipment (including monitoring and control equipment), practices, or operations regulated or required under this Permit; and
 - d. Sample or monitor, at reasonable times, for the purposes of assuring Permit compliance or as otherwise authorized by the Georgia Hazardous Waste Management Act, any substances, or parameters at any location.
2. Transfer of Permits. This Permit may be transferred to a new owner or operator only after notice to the Director, and if it is modified, or revoked and reissued pursuant to 40 CFR 270.40 or 40 CFR 270.41(b)(2) to identify the new permittee and incorporate such other requirements as may be necessary by the Rules or this Permit. Before transferring ownership or operation of the facility, the Permittee shall notify the new owner or operator, in writing, of the applicable requirements of 40 CFR Parts 264, 268 and 270.
3. Duty to Comply. The Permittee shall comply with all conditions of this Permit, except to the extent and for the duration such non-compliance is authorized by an emergency permit. Any noncompliance with this Permit, other than any noncompliance authorized by an emergency permit, constitutes a violation of the Georgia Hazardous Waste Management Act and is grounds for enforcement action; Permit termination; revocation and reissuance; modification, or for denial of a Permit renewal application.
4. Duty to Reapply. If the Permittee wishes to continue an activity regulated by this Permit after the expiration date of this Permit, the Permittee must submit a complete application for a new permit at least one hundred eighty (180) days before this Permit expires. If the Permittee has not met the requirements of Permit Sections II, III and IV, and has not met the environmental protection standard for three (3) consecutive years, within one hundred eighty (180) days before the expiration date of this Permit the Permittee must submit a complete application for reissuance of the Permit. Pursuant to O.C.G.A. Section 50-13-18(b), this permit and all conditions herein will remain in effect beyond the permit expiration date if the Permittee has submitted a timely and complete application for a new Permit and, through no fault of the Permittee, the Director has not issued a new permit on or before the expiration date of this permit.
5. Need to Halt or Reduce Activity Not a Defense. It shall not be a defense for the Permittee in an enforcement action that it would have been necessary to halt or reduce the permitted activity in order to maintain compliance with the conditions of this Permit.
6. Duty to Mitigate. The Permittee shall take all reasonable steps to minimize or correct any adverse impact on human health or the environment resulting from non-compliance with this Permit.
7. Duty to Provide Information. The Permittee shall furnish to the Director, within a reasonable time, any relevant information which the Director may request to determine whether cause exists for modifying, revoking and reissuing, or terminating this Permit or to determine compliance with the Permit. The Permittee shall also furnish to the Director, upon request, copies of records required to be kept by this Permit.
8. Anticipated Non-Compliance. The Permittee shall give advance notice to the Director of any planned changes in the permitted facility or activity which may result in non-compliance with Permit requirements.
