**Maps will be handed out at the beginning of the mandatory pre bid meeting.**

**1. MANDATORY PRE BID MEETING AND SITE INSPECTIONS**

Bidders must carefully examine all of the premises and conditions affecting the work they are submitting a bid for. Failure to do so may render the bid invalid and will not entitle the contractor to any additional compensation for conditions not observed if awarded the bid. **The only site inspection date is as follows and is not subject to change: May 12, 2022 at 9:00 AM EST. The site inspection, rain or shine, will begin at the City Stormwater/Arbor Building located at 706 Barack Obama Blvd., Valdosta, GA.** Bidders will be required to register and provide their company information before site visits begin. At least one representative from a company is required to sign in to be able to bid. You will be required to provide your own
