## Levy County Planning Commission

As a property owner & resident of 5450 NE 110 Ave Bronson, Fl. 32621. I object to petition for special Exception of Ryan Thomas Sand mine being granted for mining & excavation of any mining of minerals resources or natural resources.

This is a beginning of reducing natural resources of our rural community. God granted us these trees & nature to keep us safe.

This objection is not to grant this company to grant permissions to mine for gains.

This letter is being comments on May 1, meeting.

Iba Theresa McFarland
