

omment = We opposed to the petition No SE 23-01 because of the air pollution it may cause Sand mining from rivers and marine ecosystems, leads to "significant environmental impacts, including coastal and river erosion, shrinking deltas, land-use changes, air pollution, salinization of coastal aquifers and groundwater reserves, threats to freshwater and marine fisheries and biodiversity as well as lots of traffic in the area.. people move to this area for less traffic, the cleaner environment and the peacefulness...
