The Bank Representative hereby authorizes the Applicant to name the mitigation bank listed above as a source of compensatory mitigation in its U.S. Army Corps of Engineers (Corps) permit application for the above referenced project. The credits listed from the mitigation bank are currently available for purchase and have been reserved by the Bank Representative for use by the Applicant. In order to finalize the credit purchase, the Bank Representative must submit an updated credit ledger showing the sale (debit) and any other required closing documentation to the Corps.

Note 1: Potential mitigation credits that have not been released for sale will only be available for reservation at the discretion of the Corps.

Note 2: If the above agreement cannot be finalized by either party (Banker or Applicant), both parties will need to immediately coordinate with the Corps to ensure that an alternative compensatory mitigation plan is proposed to offset project impacts.

Note 3: If credits are being purchased from multiple mitigation banks, then a Statement of Credit Availability is required from each mitigation bank.
