

-  Park Structures
-  Proposals
-  Spring-Run Stream
-  Campsite
-  Proposed Trail
-  Boardwalk
-  Park Road Stabilized

-  Allen Mill Pond Trail - Create a hiking trail that connects the Allen Mill Springhead, the Allen Mill site, a Suwannee River access point, and the borrow pit.
-  Support Area - Update electric and replace managers residences. Construct breakroom in existing shop.
-  Headspring boardwalk - Replace boardwalk.
-  Campground - Remove the old outhouse and Metzger house. Have a certified electrician inspect the pedestals.
