

3.1.8	Multiple LPG Rail Car LOC Frequency	48
3.2	Flammable Cloud Formation	48
3.3	Ignition of a Flammable Cloud	50
3.3.1	Probability of Immediate Ignition	51
3.3.2	Probability of Delayed Ignition	51
3.4	Flammable Effects on a Population	52
3.4.1	Flammable Effects Event Trees	54
<b>4</b>	<b>Release Scenario Frequencies</b>	<b>56</b>
4.1	LNG ISO Container Lifting Accidents	56
4.2	Train Movement Accidents in Intermodal Facilities and Rail Yards	57
4.3	Train Accidents on the Mainline and Port Lead Tracks	60
<b>5</b>	<b>Release Location Assumptions</b>	<b>64</b>
5.1	Hialeah Yard Releases	64
5.2	Port of Miami Intermodal Facility Releases	66
5.3	Port Everglades Intermodal Facility Releases	67
5.4	Bowden Yard Releases	68
5.5	Route 1 – Hialeah to Port of Miami	69
5.6	Route 2 – Hialeah to Port Everglades	69
5.7	Route 3 – Hialeah to Bowden Yard	69
<b>6</b>	<b>Potentially Affected Populations</b>	<b>70</b>
6.1	Hialeah Yard Populations	70
6.2	Port of Miami Populations	72
6.3	Port Everglades Populations	74
6.4	Bowden Yard Populations	76
6.5	Main Line Track Populations	78
6.6	Port of Miami Lead Track Populations	80
