

Bradford County, Florida  
**Office of Emergency Management**

TOPIC	DISCUSSION	FOLLOW-UP
	<p><b>#10. Add new EMS headquarters in Theresa...</b> Allen Parrish has put in grant for this issue.</p> <p><b>#11 County to participate in CRS...</b> Brian Johns noted the importance of county and municipalities to participate in the Community Rating System. It would help the County to get other forms of funding for buildings, 911, etc.</p> <p><b>#12 Maintain Comprehensive Public Education...</b> Ongoing. Emergency Management Website and Facebook page continue to offer information on mitigating all hazards.</p> <p><b>#13 Conduct all hazards training for first responders...</b> Brian Johns noted that this issue is currently in the works and should be completed by next month.</p> <p>Ray Shuford commented that he would like to do awareness level classes for deputies.</p> <p><b>#14 Recruit additional EOC Damage Assessment staff...</b> Brian Johns commented that EM currently uses Property Appraiser's office for damage assessment and they do a tremendous job but additional trained damage assessment staff would be beneficial.</p> <p><b>#15 Replace selected non-box culverts and small bridges with box culverts...</b> Brian Johns commented that this issue has been looked at many times and a lot of work has been done to fix damage while under Local State of Emergency to try to keep roads passable but raising entire road permanently would be next to impossible. The expense could be more than \$750,000 per mile provided no culverts are needed</p>	<p>Move item to Priority #1.</p> <p>Brian Johns to get with Randy Andrews who has already been working on this issue.</p> <p>Brian Johns to put Ray Shuford in touch with LEPC to conduct Awareness Level classes for deputies.</p>
