Alapaha River Downstream of Dead River	114 cfs		
Stevenson Spring	85 cfs		
Five Hole Spring		7.7 cfs	
Coile Spring		15.3 cfs	
Tiger Creek			27 cfs

River and rise stage and discharge data sources:

- Stage data was obtained from the USGS's Water data website:
http://nwis.waterdata.usgs.gov/fl/nwis/current/?type=dailystage&group_key=huc_cd
- The Suwannee River Water Management District staff collected discharge data and provided it to the FGS.
