Dear EPD:

This letter is in response to effluent requirement violations from the period of December 2018.

During the month of December, the City of Ray City received extreme heavy rainfall and as a result exceeded our flow totals. The extreme rainfall also made us exceed our fecal count for the month.

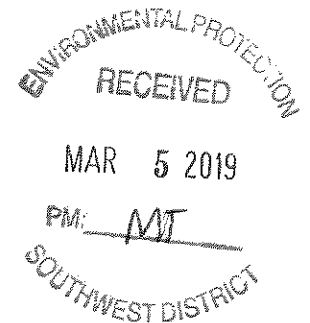

During the same quarter, we were required to take a total organic nitrogen and a total kjeldahl nitrogen, in which we did. These were lost by the lab and we apologize for this mix up.

The City of Ray City appreciates all of your consideration and cooperation in these matters.

Thank you

A handwritten signature in cursive script that reads "Brenda Exum".

Brenda Exum  
Mayor
