USFWS Letter to Colonel Daniel Hibner.pdf; 11.6.19 Questions for FWS re Twin Pines.docx;

Hi Kristen,

Sen. Purdue's office reached out to Cole in OCL regarding concerns with the Twins Pine Mining Project. They shared our recent letter to the Corps on the project (attached) and send a bunch of questions (also attached), which Cole forwarded to us.

Can you please help us get responses to the attached questions? Cole didn't give us any deadline, but if you have an estimated timeline depending on review (like if Leo would want to approve), can you let me know? I figure better to set their expectations in advance if we think it may take a while.

Thank you!

- Alyssa
