Hi Andrew,

Cole passed on your questions to us regarding the Twin Pines Mining Project and we wanted to follow-up with you to provide you with the attached responses.

I'm copying a couple of other people in our office so that you'll have some additional contacts, including Marty Kodis, Chief of Congressional and Legislative Affairs and Alyssa Hausman who handles endangered species issues in our office.

Please let us know if you need anything else.

Thanks,

Angela

Angela Gustavson

Deputy Chief

Division of Congressional and Legislative Affairs

U.S. Fish and Wildlife Service
