

Celebrate Earth Day Litter pick up event April 17, 2021

Where: Joree Mill Pond

Meet at: 913 Mill Pond Road

When: 9 AM - 12 PM

What: Remove litter from Joree Mill Pond

How: From boats on the pond

If you have a jon boat and are willing to take a volunteer onto the pond to remove litter, please contact either Gretchen Quarterman (229-834-1945) or Austin Fiveash (229-563-6262).

You can also participate in your kayak or canoe.

Volunteers will remove litter from along the edge of the pond and from near the spillway.

All volunteers must sign a WWALS liability release, which makes WWALS insurance cover them, and must wear a life jacket at all times while in boats.

WWALS Watershed Coalition advocates for conservation and stewardship of the Withlacoochee, Willacoochee, Alapaha, Little, Santa Fe, and Suwannee River watersheds in south Georgia and north Florida through education, awareness, environmental monitoring, and citizen activities.
