Mr. Alba,

The following is in response to the District's Request For Additional Information dated October 13, 2022 with regards to the 3RT Sand Mine Environmental Resource Permit Application

Request:

**APPLICATION AND APPLICATION CERTIFICATION:**

*Item 1: In accordance WITH Rule 40D-1.603(2), F.A.C., no later than 30 days after the initial submittal of an Individual Environmental Resource Permit (ERP) application, the applicant shall publish – at the applicant's expense – a notice of the District's receipt of the application in a newspaper having general circulation as defined in Chapter 50, F.S., in the county of counties in which the activity is proposed. Please provide documentation that such noticing has been accomplished. Note that the published notices of receipt for an ERP must be in accordance with the language provided in Rule 40D-1.603(10), F.A.C., and receipt of an affidavit establishing proof of this publication will be considered a completeness item of this ERP Application. Per Rule 40D-1.603(12), F.A.C., this must be received before the application will be considered complete and the 60-day timeframe for taking agency action on the application will commence.*

**Response:**

**Please find enclosed the “Affidavit of Publication” for the noticing which was published in the Levy Citizen on October 27, 2022.**
