Dear EPD,

This is a Georgia Open Records Act (GORA) request for the report Quitman, Brooks County, Georgia, sent to EPD about the July 11, 2023, major sewage spill, along with any related correspondence, and the required followup water quality test results.

I am willing to pay reasonable costs and fees, but to forward a few electronic files there should not be many.

My contact information is below.

FYI, I sent Quitman a request for this information on December 27, 2023, and again January 5, 2024, and by certified letter on February 29, 2024, yet there has been no response. Please see attached letter.
