Pollution Notice

Pursuant to Section 403.077, F.S., the Department of Environmental Protection has received the following Public Notice of Pollution for a reportable release. All information displayed was submitted by the reporting party.

Type of Notice: Initial Report
Date of Notice: 02/17/2025

Incident Information

Name of Incident: Trail Ridge South Process Water Release
State Watch Office Case Number: 20251502
Start of Incident: 02/16/2025 06:00 PM
End of Incident: 02/16/2025 10:00 PM

Incident Description

On Sunday, February 16, 2025 at approximately 6 PM, an operator noticed process water overtopping a tailings berm going into an adjacent wetland. Operator immediately stopped the flow by constructing an earthen dam. Environmental was notified at 10:30 PM. We are estimating a volume of 230,000 gallons of water released and are continuing to finalize the volume. Water within the tailing cell, point of entry and downstream locations have been sampled and we will continue to monitor. The sample locations are checked every day per our water quality monitoring program.

Incident Location

Facility/Installation Name: The Chemours Company FC LLC
Address Line 1: [5222 Treat Rd](#)

Address Line 2:

Directions: Approximately 5 miles east of Starke on SR 230, turn south on Treat Rd and continue about 5 miles south.

City: Starke

State: FL

Zip Code: 32091

Coordinates (in decimal degrees):

Lat: 29.891, Long: -82.043
