

# SHERIFF

*Bradford County  
Division of Emergency Management*

*Gordon Smith, Sheriff*

TOPIC	DISCUSSION	Notes/Actions
<p><b>Additional discussion</b></p>	<p><b>#8. Maintain historical records of disasters and GIS repetitive loss...</b> No comments. Item is on-going and to remain on project list.</p> <p><b>#9. Continue local policies to support compliance of water conservation programs.</b> No comments. Item is on-going and to remain on project list.</p> <p><b>#10. Maintain local plan requirements for vegetated buffer for rivers and creeks.</b> Per Randy Andrews this issue is written in the County's Land Development Regulations Plan and should be removed from this list.</p> <p><b>#11. Install (2) 20,000 gallon storage tanks at Fire Stations 40 &amp; 90 for rural water supply...</b></p> <p>DK Bennett commented that due to the fact Bradford is primarily a wet County, often tankers may not be able to access a scene off road because of their weight. "Anywhere we can improve on water systems throughout the County would be an enhancement to Fire Protection".</p> <p><b>NEW ITEM:</b> SR223 Wildfire Mitigation project.... A) Coordinate with Florida Forest Service and landowners to identify and secure alternate entry points for wildfire response in this area. B) Secure access to gates at retention ponds at SR223 for water supply.</p> <p><b>End Review of Project List.</b></p> <p>Scott Anaheim commented he is currently working with Congressman Yoho reference a 2-mile radius for water and sewer enhancements as well as appropriations on water plant at north end of the City of Starke.</p>	<p>Assessment Team for Mapping, Addressing and Code Enforcement purposes.</p> <p><b>Project to be removed list.</b> All Committee members present in favor.</p> <p><b>Project to be re-prioritized as #1.</b></p> <p><b>New Item to be added as Priority #2.</b> All Committee members present in favor.</p>
