

Description of Mitigation Projects or Initiatives	Hazards Mitigated	Funding Source	Jurisdiction (Location)	Responsible Workgroup to Implement the Project	Estimated Costs	Comments
Apply for grants and assist homeowners around Sampson and Crosby Lakes in elevating homes above the flood levels to avoid ongoing repetitive losses.	All Hazards including (flooding, sinkholes, hurricanes/tropical storms, tornado, thunderstorms, wind, lightning, hailstorms, riverine and stream erosion, drought and heat wave, wildfires, winter storms, and freezing temperatures).	HMGF	All jurisdictions in Bradford County	Bradford County Emergency Management Department, Public Mitigation Projects Workgroup, Private Mitigation Projects Workgroup	N/A	Two homeowners applying for assistance through FEMA grant application (Smith & Briggs). Update <b>Project deleted December 2018</b> per Randy Andrews. Comments: Mr. Carter commented that the County can't be responsible for such projects due to fiscally constraint position. Efforts are up to individual homeowners through Rebuild Florida, Suwannee River Economic Council, DOT, etc. Director Shuford concurred
