

Sections

Section 1 - Introduction identifies the purpose and context for the plan.

Section 2 - Planning Process provides the details used to develop the plan, including how it was prepared, who was involved in the process for each jurisdiction, and how the public was involved.

Section 3 - The Geography, Demographics and Land Use of Bradford County are identified with details on the current and future land use, which are important elements in the mitigation planning.

Section 4 - Hazard Risk and Vulnerability Assessment defines the type and previous occurrences of the natural hazards, the probability, the location, the vulnerability, the extent, and impact of the natural hazards that affect the county and its' municipality.

Section 5 - Mitigation Strategy provides the risk assessment, which are based on existing authorities, policies, programs, and resources, and its ability to expand on and improve these existing structures. The areas in this section will consist of the LMS goals and objectives, the National Flood Insurance Program (NFIP) and compliance, the implementation of the mitigation projects, the jurisdictions that will benefit from the mitigation projects and potential funding sources.

Section 6 - Plan Evaluation and Maintenance will discuss the evaluation and maintenance of the LMS plan. Details on how Bradford's development has impacted vulnerability, changes in development and completed projects are noted. It will examine other community planning mechanisms, and public participation in the plan's maintenance process.

Appendix I - Bradford County's LMS meeting documentation over the last five years including (i.e. meeting advertisement or public notice, agenda, sign-in sheets, and meeting minutes).
