The Chemours Company FC, LLC is beginning the process to obtain approvals to begin a new mineral sands mining operation known as Trail Ridge South. The site is co-located on Camp Blanding Joint Training Center (CBJTC) and land owned by Suwannee River Water Management District (SRWMD), southeast of Starke, Florida (Exhibit A). Chemours has active lease agreements with both property owners to mine mineral sands. This area is located south and west of Chemours' mining operations at the Trail Ridge Dry Mill facility and adjacent to prior mined lands (Exhibit B).

Please provide the following information regarding your availability.

☐ **DATE & TIME: (Please provide several dates and the associated times that you are available)**

Week of Feb 22, 28, Mar 1, week of Mar 4 or 11

☐ **PREFERRED MEETING LOCATION: (if other than Corps office)**

Address: Tampa, Jacksonville or Starke

Subject: The Chemours Company FC, LLC
Re: Agent Authorization

Dear Ms. Hogan-Charles,

The Chemours Company FC, LLC (Chemours) hereby designates and authorizes Kleinfelder, Inc. to act on our behalf as our agent, on all application forms and communications with the U.S. Army Corps of Engineers.

The Chemours Company FC, LLC.

A handwritten signature in black ink, appearing to read "Nicole T. Newell", is written over a horizontal line.

Nicole T. Newell
Plant Manager

Enc: Chemours Delegation of Authority - Newell

THE CHEMOURS COMPANY FC, LLC DELEGATION OF AUTHORITY

By this letter, I, E. Bryan Snell, President, Titanium Technologies, The Chemours Company FC, LLC ("Chemours") hereby delegate, to the extent permitted by law, to Nicole Newell, Plant Manager of the Chemours – Florida Plant/Mine located Off State Road, Starke, FL, 32091-0753 (the "Plant") the authority to:

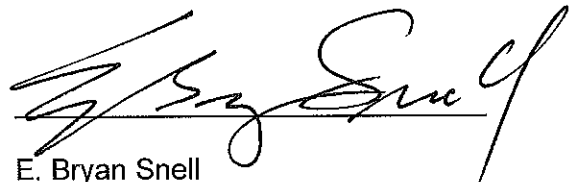

- Sign or execute any permit application, report, certification or other document relating to compliance by the Plant with the environmental laws or regulations of the U.S. or the States of Florida and Georgia, including but not limited to: the Clean Air Act, 42 USC §7401 et seq., as amended, the Clean Water Act, 33 USC §1251 et seq., as amended, the Resource Conservation & Recovery Act, 42 USC §6901 et seq, as amended and comparable laws of the States of Florida and Georgia.
- Execute all orders and agreements relating to compliance by the Plant with Federal, State or local environmental laws and regulations.
- Approve the provisions of any compliance program, project-completion schedule, or similar document relating to construction, modification, and/or operation of any equipment or facilities at the Plant.
- Execute and deliver any other documents and do any other actions in connection with the foregoing, as the Plant Manager may deem necessary and advisable.

It being understood that said Plant Manager will consult Legal and/or EHS, as appropriate before exercising the authority hereby granted.

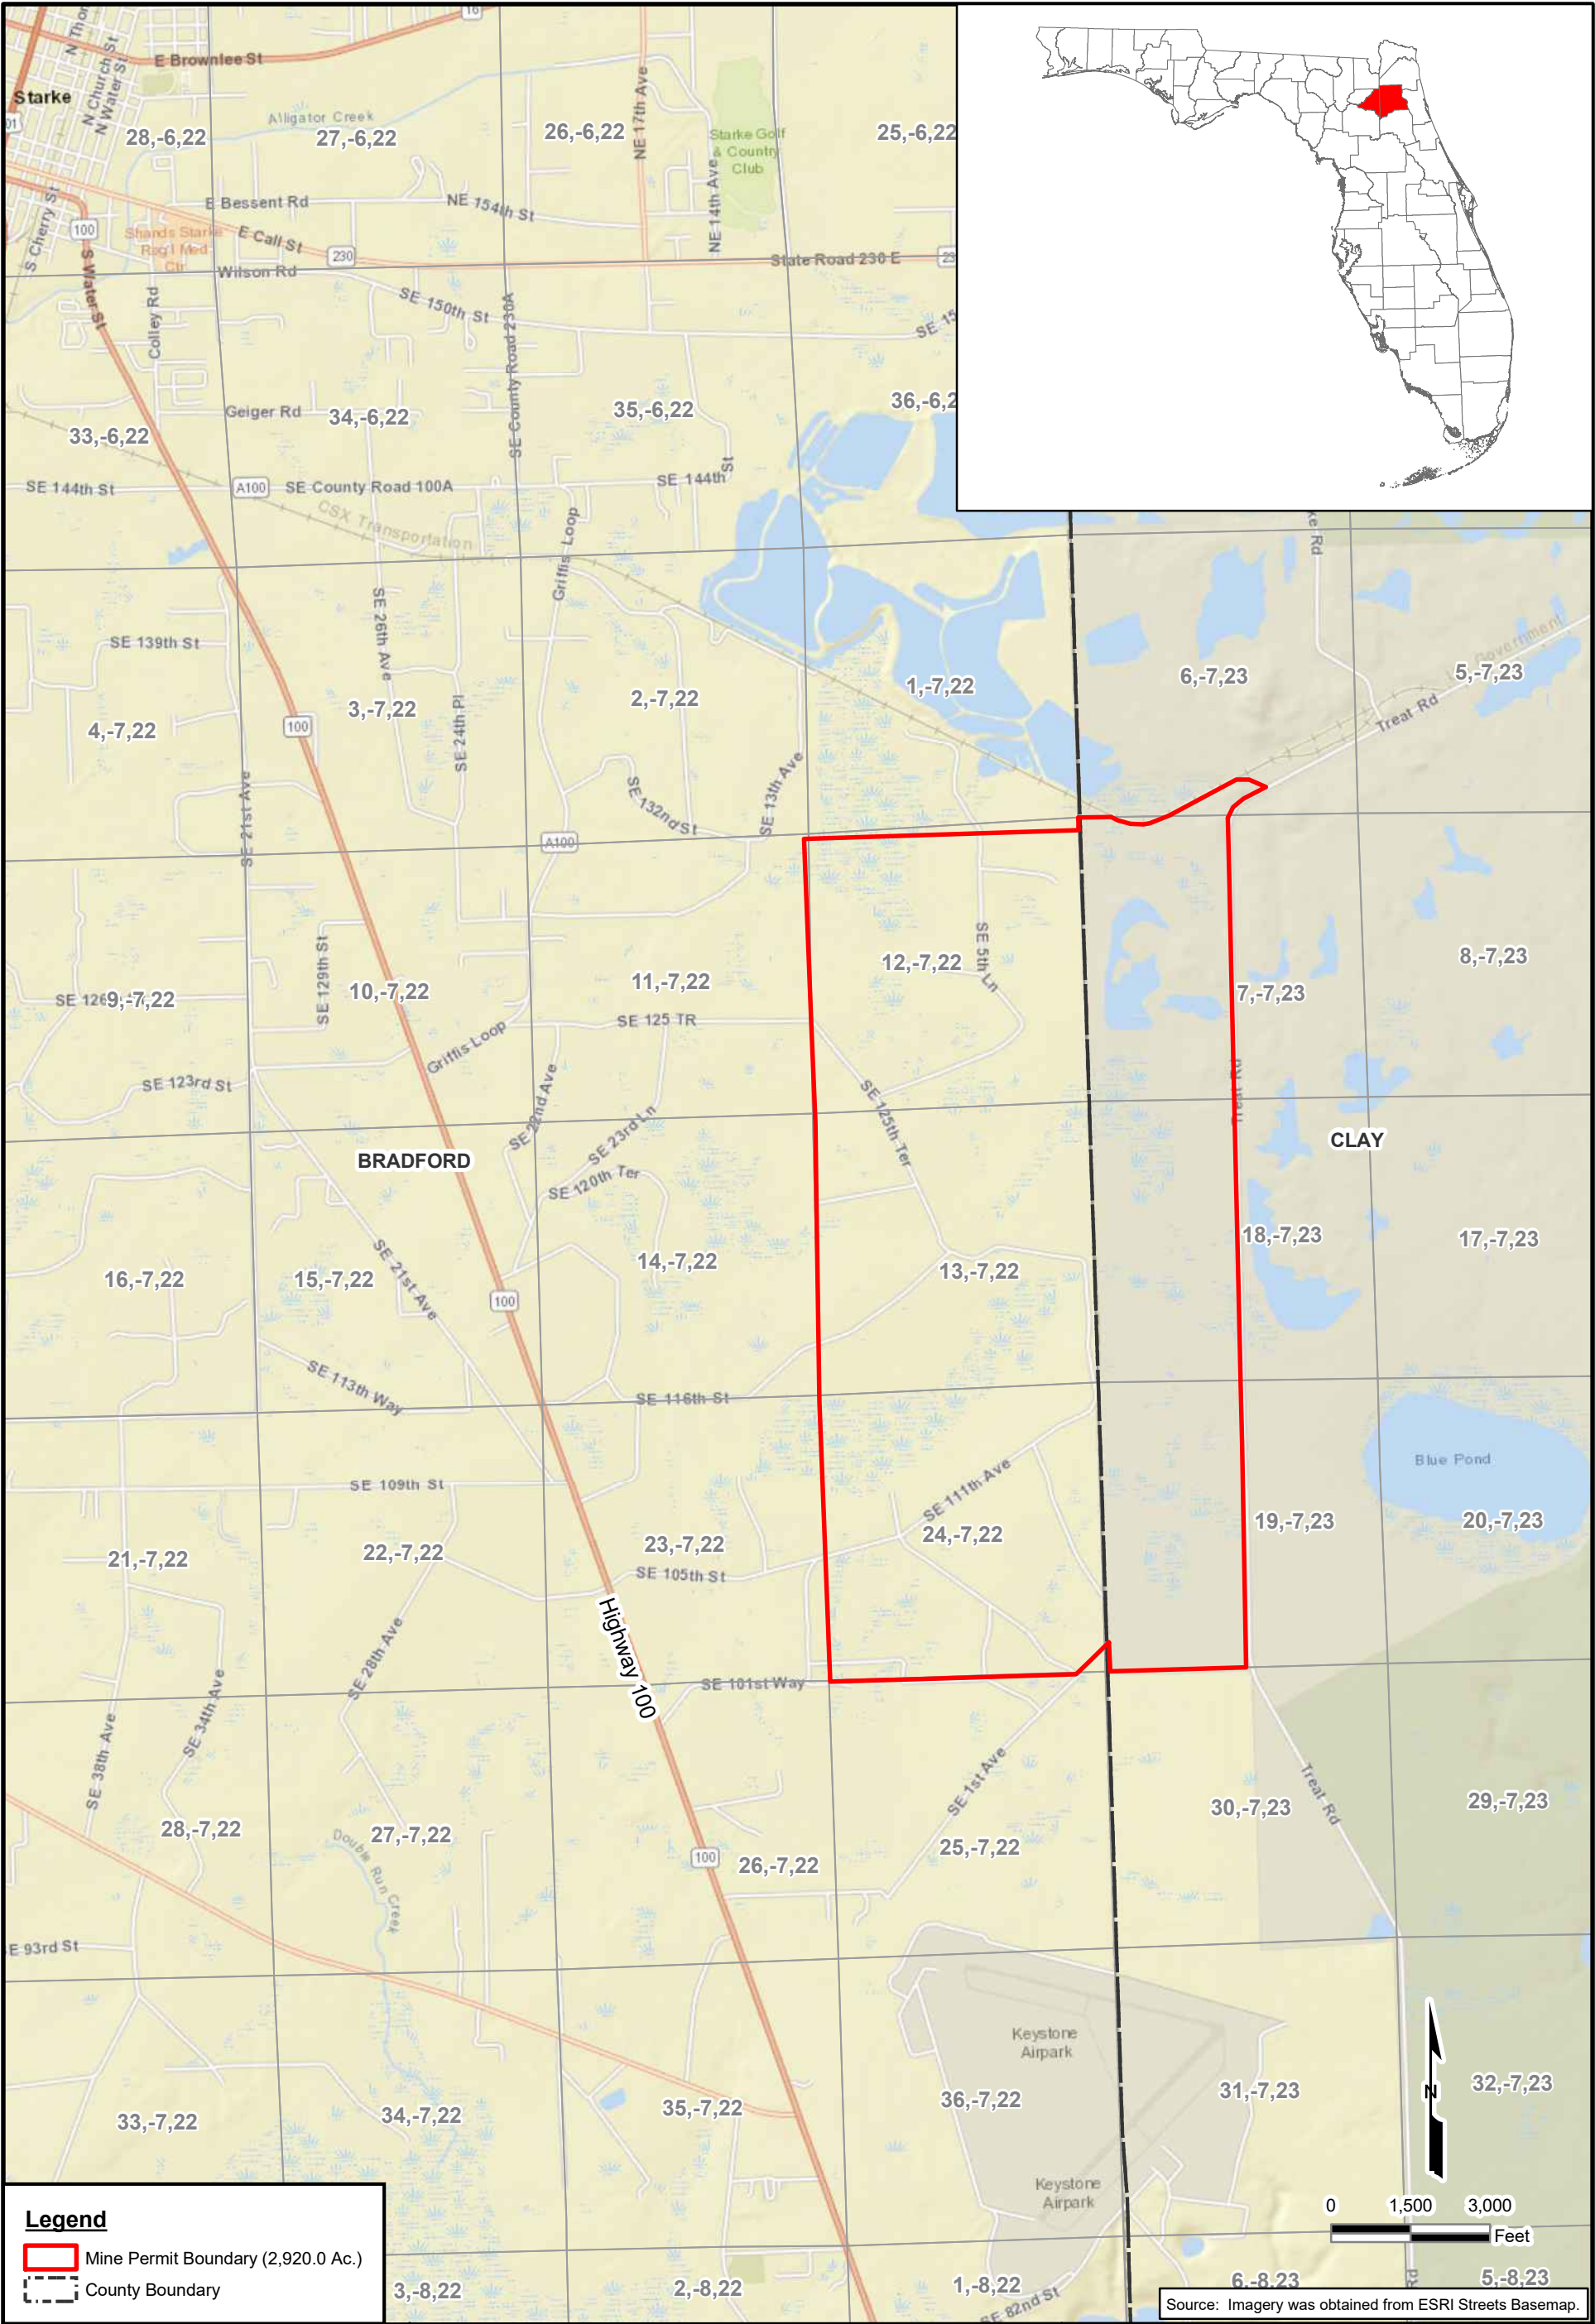

This Delegation of Authority is effective as of December 1, 2017, and is given without the authority to make further delegations.

December 1, 2017

Date
