

Elected Officials Hike of the proposed Sabal Trail Suwannee River Crossing and discussion of the Falmouth Cathedral Cave Crossing

When: Sunday May 15, 2015, 9:00 am

Where: Suwannee River State Park

3631 201st Path

Live Oak, FL 32050

Park Entrance Fee: Waived (usually \$5.00 per vehicle)

Itinerary

9:00 am-Deanna Mericle- Greeting and reason for the hike, distribution of handouts; Brief introductions of those attending. Every person state their name and association to the event (e.g. US Congressman, affected land owner, concerned citizen, Sierra Club member, local business owner, etc).

9:15 am-Chris Mericle- Presentation of Sabal Trail's discrepancies and omissions at the Suwannee River and Falmouth Cathedral Cave proposed crossing site.

9:30 am- Board bus to river crossing site, Hamilton County side. Further introductions and discussion can occur during travel.

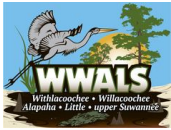

9:45 am- Chris Mericle and Dennis Price-Hike to the crossing site, discussion of the geology, and discrepancies in Sabal Trail's information that can be seen there.

10:45 am- John Quarterman -Let elected Officials know what they can do to help. Then board bus to return to Suwannee River State Park. Any further discussion.

11:00 am- Back at the State Park. End of meeting.

If any person wants to see further evidence, especially the Falmouth Cathedral Cave crossing, Chris and Deanna Mericle are willing to stay later to show attendees where the pipeline will cross under highway 90 near a large sink hole, Falmouth Spring, and Lime Run Spring, the first magnitude spring that will be affected by the pipeline.
